GOLF HISTORY

Since its inaugural tournament in 1978, the Watertown Boys & Girls Club annual golf tournament has been the cornerstone of the Club's fundraising calendar. Hosted at beautiful Oakley Country Club in Watertown, MA this showcase event is recognized as one of the best of its kind in the Greater Boston area. As one of the original founding members of WBGC, Stephen P. Mugar was an avid supporter and keen participant during the tournament's early years. After his passing in 1982, the event was re-named in recognition of Mr. Mugar's years of dedication and service to the Watertown Boys & Girls Club.

Since then, the Mugar Family has generously pledged an annual matching contribution for all proceeds raised from the event with that match now reaching up to \$80,000 per year! Thanks to their incredible support, the Stephen P. Mugar Memorial tournament continues to thrive and now accounts for over 25% of the Club's annual fundraising goal. Whether you choose to participate as a sponsor, play in the tournament, or make a donation, your support will help transform the lives of young people in our community. Your support and participation in this year's event is greatly appreciated!

The Mugar Family will match the tournament's net profits up to \$80,000 in memory of one of the Club's founding members, Stephen P. Mugar. We are so grateful to the Mugar Family for continuing to support this vital fundraiser.

ABOUT THE WATERTOWN BOYS & GIRLS CLUB

The Watertown Boys & Girls Club is a **501(c)(3)** non-profit organization that has operated for over 50 years providing youth programs that fuel confidence in academic success, healthy living, character development and peer relationships by providing a safe, creative setting with trained, compassionate staff who help guide and coach members. Here, young people can enjoy meaningful opportunities to grow, learn and share during their critical childhood and teen years.

The WBGC is the **largest nonprofit in Watertown** and serves approximately 1,500 youth members ages 7-18 throughout the year, and provides activities and services to an additional 1,200 kids through cooperative programs with the Watertown Recreation Department, the Watertown Family Network, and other similar organizations. These strong partnerships allow us to meet the needs of youth outside of our membership, expanding our reach within the communities we serve, including Watertown, Belmont, Newton and surrounding towns.

Our mission is **“to inspire and enable all young people, especially those that need us most, to realize their full potential as productive, responsible and caring citizens.”** Through affordable access to highly-valued programs, WBGC lays the foundation on which youth can build a successful future. Your investment in quality programming will result in long-term positive impact on local youth within your own community.
